note:

"Wild and Precious", the series from which this work is taken, was celebrated "not only for its beautiful images, but also for its intimate depiction of the close relationship between the photographer and his collaborator/daughter. It also tells the story of our relationship to our environment, urging us to rebuild our connections with the natural world." (The Print Center website, April 2018).

This image was specially created for The Print Center's 2016 fundraiser. The present work was gifted to Bob Morrison in gratitude for hosting a dinner for top donors.
